PARK USE INSURANCE REQUIREMENTS

GENERAL

The City of Brookings requires all applicants to provide insurance and proof of insurance coverage for all events held at City parks and on other public properties.

An application must be approved and the applicant must provide the City with liability insurance coverage extending over the term of the permit. The certificate or policy of insurance must evidence the liability insurance at rates specified below by the City.

The City will monitor compliance and maintain a file of insurance coverage for City Park and other City-owned property use.

The City Manager may amend the requirements for certain events as deemed appropriate or necessary.

INSURANCE COVERAGE

1. Insurance coverage must meet the following requirements

- a. It must contain Comprehensive General Liability Coverage. Comprehensive General Liability coverage, includes (but is not limited to) coverage sometimes called *Premises/Operations Liability (M&C); Products and Completed Operations Liability; and Contractual Liability.*
- b. The insurance coverage shall have limits of not less than \$500,000 - Combined single limit for each accident or occurrence.
- c. It must name the City of Brookings and its commissions, members, officers, agents, and employees as an additional insured and promise the City twenty (20) days advance notice of any change or cancellation. The following wording on the certificate is recommended:

“The City of Brookings shall be named an additional insured, under the above-numbered insurance policy as respects the Park Use Application Permit issued by the City of Brookings.”

“The City of Brookings shall be given twenty (20) days notice of any change, cancellation, expiration, or renewal of the policy.”

- d. The policy period must include the date(s) of the planned activity.

2. Certificates of Insurance may also be presented as an “Accord.” Unless the applicant’s insurance policy has a ‘rider’ with the language in subsection (c) above, these two changes initiated by the insurance agent need to be made in the “Accord” form of the certificate:

- a. The following wording at the top of the form should be deleted in its entirety:

“This certificate is issued as a matter of information only and confers no rights upon the certificate holder.”

- b. This wording, at the bottom of the form:

“Should any of the above described policies be canceled or reduced as to coverage before the expiration date thereof, the issuing company will mail a written, twenty (20) day notice to the below named certificate holder/City of Brookings as an additional insured.”

Any changes in the certificate need to be initiated by your insurance agent.
