

City of Brookings Press Release For Immediate Release

**Meeting: January 6, 2009 at 7:00 p.m.
Council Chambers, Brookings City Hall**

The Planning Commission will meet at 6:00 p.m. with an OSU (Oregon State University) Extension agent, Frank Burris. Mr. Burris will make a presentation concerning storm water drainage low impact development techniques. The City's new *draft* chapter, Chapter 17.94-Landscaping, Tree Preservation and Replacement, will be introduced. Two key issues dealt with in the chapter are water conservation and lessening the impact of storm water run-off. This workshop is not a public hearing, and will not be televised. A hearing for this chapter will be held at a future date.
