

Wild Rivers Coast FOOD TRAIL

THE OREGON COAST

**BERRIES, SEAFOOD,
SCENIC LANDSCAPES**

TRAVEL TIPS

- The Wild Rivers Coast Food Trail is open to visitors throughout the year and is designed to explore at your own pace – you are welcome to start and finish wherever you like. To ensure a positive experience, please review the hours of operation for each business listed in this brochure and note when it is best to call ahead before arriving.
- High season varies per business but is typically **June - Nov**. Seasonality of key products is listed below:
 - Blueberries are normally at their best from July to Aug.
 - Cranberries are often available from mid-Oct. to early Dec.
 - Pumpkin patches are usually open from late Sept. to late Oct.
- The working farms along this trail provide some of the most unique and personalized experiences. As a visitor, we ask that you respect the invitation to enter each property and be cautious around farm animals and equipment. Kids should not play unsupervised and you should be prepared to follow any site-specific rules.
- Interested in a guided tour to experience the Wild Rivers Coast Food Trail? South Coast Tours offers day tours along the entire trail. Learn more at SouthCoastTours.net.
- Your experience along the Wild Rivers Coast Food Trail should not end when you leave the area. We encourage you to bring a taste of your journey back home to share with friends and family as a reminder of the bounty available along Oregon's Wild Rivers Coast.

BERRY BYWAY ITINERARY PORT ORFORD TO BANDON

Ramble along the berry trail from Port Orford to Bandon for a bucketful of sweet tastes.

A morning start at **Port Orford Community Co-op** yields a delightful harvest of picnic provisions, including organic meat, fresh catch and seasonal produce like sun-kissed, handpicked strawberries, raspberries and blackberries from **Valley Flora Farm**. Head north on U.S. 101 to **Peters Cranberries** farm stand in Sixes for fresh, tart, sustainably grown cranberries as well as jams and berry vinegars to take home.

Plan on a late breakfast at **The Spoon** in Langlois with griddle-hot pancakes and French toast drizzled in locally made cranberry syrup. Next door, the **Floras Creek Coffee Company's** house-roasted local mocha will fuel your hunt for sweet blueberries at family farms like **Valentine Blueberries**, **Twin Creek Ranch** and **Jensen's Blueberries**.

Spread your picnic blanket in the sunshine at **Dragonfly Farm & Nursery** in Langlois and enjoy a post-lunch stroll through the verdant grounds and greenhouses where you can pick out young blueberry bushes to plant at home.

In Old Town Bandon, quaff a fruity pre-dinner drink at one of the local watering holes – fruit wine at **Bandon Wine Company**, cranberry rum at **Stillwagon Distillery** or a cranberry cider at **Bandon Brewing Company**.

SEAFOOD SEARCH ITINERARY BROOKINGS TO GOLD BEACH

This culinary treasure trek starts with made-from-scratch bagels and steaming coffee at First Rise Baking Company in Brookings.

Thus well provisioned, head out for a two-hour exploration by kayak with **South Coast Tours**. Fish from the boat, forage for mussels and edible seaweeds, or just enjoy bird watching in the refreshing sea breeze. Post-paddle lunch options include fresh-caught rockfish, crab and clams at Brookings' **Catalyst Seafood Restaurant and Lounge** or the Fishermen's Panini-melt with a side of garlic fries at **Barnacle Bistro** in Gold Beach. The **Arch Rock Brewing Company** tasting room pours seaside sips of lager, pales and porters and growlers to go. Don't miss **Fishermen Direct Seafood** with freshly canned albacore tuna and salmon to take home.

In Port Orford, visit the working waterfront to see the unique dolly dock lifting boats in and out of the water by crane. Fish from the beach in the pretty cove around Battle Rock or watch for great grey whales.

Net your dinner from the dock at **Tony's Crab Shack** in Bandon. They'll cook your catch or sell you a variety of fresh items like the wild salmon burger, Diver's Catch pasta or grilled oysters.

TIMELESS BEAUTY ITINERARY REEDSPORT TO BROOKINGS

This dreamy drive passes through some of the South Coast's most stunning landscapes.

From the Umpqua River Scenic Byway catch a glimpse of majestic Roosevelt elk at the **Dean Creek Elk Viewing Area** followed by a hearty breakfast at Reedsport's **Harbor Light Restaurant** with offerings of Salmon Harbor Browns and Country Fried Steak. Further south in Winchester Bay, find hot fresh breads, bagels and cinnamon rolls along with homemade jams at **Sourdough Bakery**. Stroll the lush formal gardens at **Shore Acres State Park** and view dramatic surf crashing below the soaring cliffline. The trails in **Cape Arago State Park** provide breathtaking beauty of hidden coves and seascapes along the headland. Stop at Charleston's **Bayside Coffee Shop** for organic fair trade coffee and tea and find refreshing smoothies made from house-made nut milks and fresh berries at Coos Bay's **Noster Kitchen**.

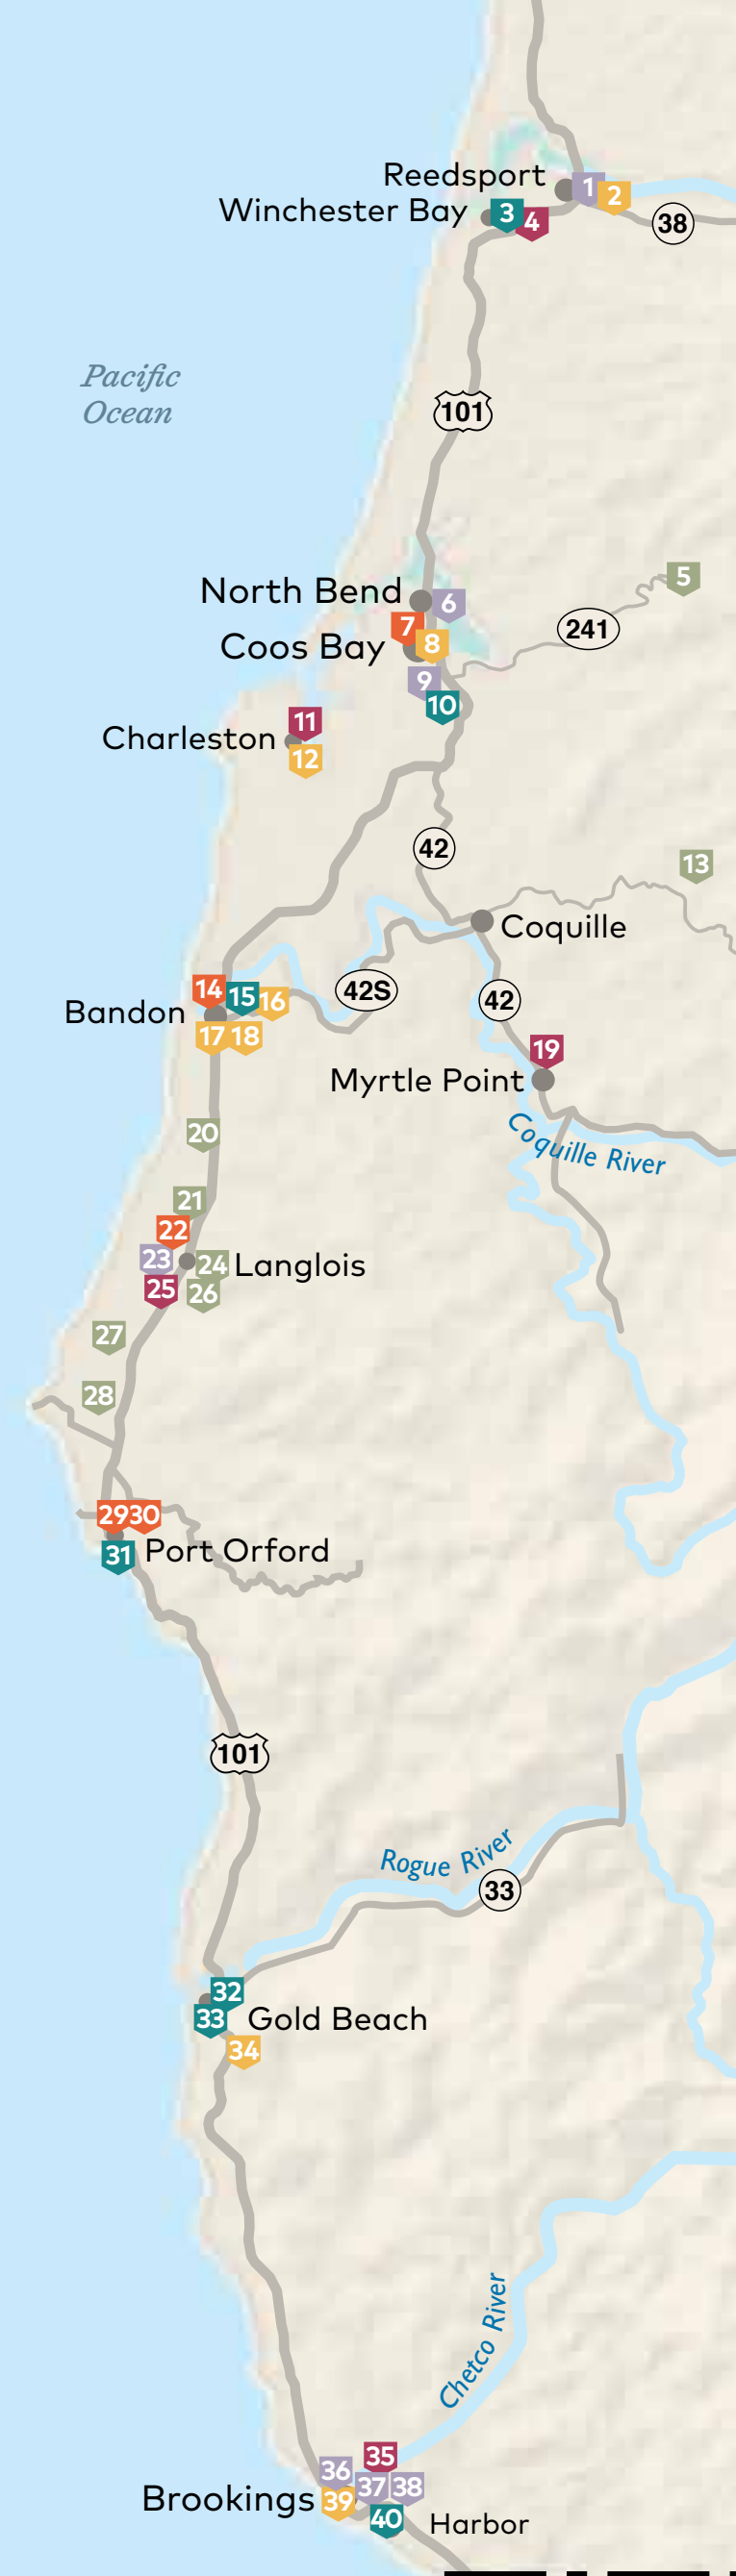

Book a shoreside table at **Redfish** in Port Orford for a lunch of ocean-fresh seafood, salads and burgers along with gorgeous views of Battle Rock from the sun-drenched deck. In the **Samuel H. Boardman State Scenic Corridor**, 27 miles of Oregon Coast trail wind through towering Sitka spruce with striking vistas of Arch Rock, Natural Bridges and other wind sculpted sea stacks.

At the end of the day, tuck into a burger at **The Vista Pub** in Brookings – made with grass-fed local beef and Grandma Katie's special seasoning. End the night at the lively tasting room at **Chetco Brewing Company** or get a growler to go and watch the sunset from the windswept beach.
