The City will monitor compliance and maintain a file of insurance coverage for City Park and other City-owned property use.

The City Manager may amend the requirements for certain events as deemed appropriate or necessary.

INSURANCE COVERAGE
1. Insurance coverage must meet the following requirements:
   a. Must contain Comprehensive General Liability Coverage. Comprehensive General Liability coverage, includes (but is not limited to) coverage sometimes called Premises/Operations Liability (M&C); Products and Completed Operations Liability; and Contractual Liability.

      “The City of Brookings shall be given twenty (20) days notice of any change, cancellation, expiration, or renewal of the policy.”
   d. The policy period must include the date(s) of the planned activity.

2. Certificates of Insurance may also be presented as an “Accord.” Unless the applicant’s insurance policy has a ‘rider’ with the language in subsection (c) above, these two changes initiated by the insurance agent need to be made in the “Accord” form of the certificate:

      “Should any of the above described policies be canceled or reduced as to coverage before the expiration date thereof, the issuing company will mail a written, twenty (20) day notice to the below named certificate holder/City of Brookings as an additional insured.”

Any changes in the certificate needs to be initiated by your insurance agent.
